Christian Belief Interpreted by Christian Experience

By CHARLES CUTHBERT HALL

President of Union Theological Seminary; Author of *Universal Elements in the Christian Religion*

IN 1902 the course of lectures delivered by President Hall, on the Barrows Foundation, in India, Ceylon, and Japan, created a profound impression throughout the Orient by reason of their scholarly contents, their clarity and beauty of style, their irenic tone, and the tactful sympathy with which they presented the essence of the Christian religion in terms adapted to the methods of thought of the eastern mind. These lectures are now made available for western readers under the general title of *Christian Belief Interpreted by Christian Experience*.

The volume is dedicated "to those in India, Ceylon, and the Far East to whom the study of religion is precious . . . in the spirit of brotherhood, and with true respect for the various faiths of men." This fraternal spirit and breadth of view characterize the whole book, the intrinsic purpose of which is to point out the common foundation underlying the gropings of men after ultimate truths; to show that, however varied the manifestations of the religious life, in its fundamental principles there is essential unity; and, on this basis, to advance the claims of Christianity to being the absolute religion.

"For its purpose, this book is a masterpiece."—*Congregationalist*.

"We most heartily commend this magnificent volume."—*Baltimore Methodist*.

"One lays down the book with a feeling of profound admiration."—*The World To-day*.

"The charm of the writer's style is most fascinating. It is, from many points of view, a great book."—*New York Observer*.

THE NEW VISIBLE

FOX TYPEWRITER

A Record Never Equalled

Perfect Visible Writing and the Durability of the Basket Type Machine

Whether you are interested in the mechanical features of a typewriter or not, if you are buying typewriters you are most vitally concerned in two things.

First, your typewriter should write in sight. It's reasonable that if you can see what you are doing, you can do more than when your work is hidden from view.

Second, your typewriter should be durable, so you will receive proper value for your money.

Previous to the advent of The Fox Visible it was impossible to build a Visible Typewriter with the wearing qualities of the old style machine.

Here is the Reason The "basket type" machines, such as the old style Fox, the Remington, and the Smith-Premer, have had an "assembling surface" of eighteen inches in which to assemble their type bar hangers. This allowed the use of a wide hanger and accounts for the recognized durability of such machines. In building other visible typewriters than the Fox Visible this "assembling surface" HAD TO BE SACRIFICED, and instead of eighteen inches such machines have four and one-half inches and a type bar hanger 35-1000 of an inch wide.

On the Fox Visible the Assembling Surface is 16 1-2 inches, and the Type Bar Hanger 7-16 of an inch wide. This admits of adjustment and means durability. With a narrow type bar it is a mechanical impossibility to secure permanent alignment and durability.

Just ordinary business economy demands you investigate the Fox Visible before you buy. We make it easy for you. Send for descriptive literature.

MEDICAL OPINIONS OF BUFFALO LITHIA WATER

"All the Argument Necessary."

The International Journal of Surgery, August, 1905, under the heading "CYSTITIS," says: "In the treatment of Cystitis, water is the great aid to all forms of medication. **BUFFALO LITHIA WATER** is the ideal form in which to administer it to the Cystitic patient, as it is not only a pure solvent, but has the additional virtue of containing substantial quantities of the Alkaline Lithates. Patients should be encouraged to take two quarts per day, if they can, and the relief they will obtain will be all the argument necessary after the first day or so."

"The Results Satisfy Me of Its Extraordinary Value."

Dr. Jos. Holt, of New Orleans, *Ex-President of the State Board of Health of Louisiana*, says: "I have prescribed **BUFFALO LITHIA WATER** in affections of the kidneys and urinary passages, particularly in Gouty subjects, in Albuminuria, and in irritable condition of the Bladder and Urethra in females. The results satisfy me of its extraordinary value in a large class of cases usually most difficult to treat."

"I Have Witnessed Decided Beneficial Results from Its Use."

Wm. B. Towles, M. D., formerly Professor of Anatomy and Materia Medica of the University of Virginia: "The effects of **BUFFALO LITHIA WATER** are marked in causing a disappearance of Albumin from the urine, and in certain stages of Bright's Disease I have witnessed decided beneficial results from its use."

"Results, to Say the Least, Very Favorable."

T. Griswold Comstock, A. M., M. D., *St. Louis, Mo.*, says: "I have made use of **BUFFALO LITHIA WATER** in gynecological practice, in women suffering from acute Uræmic conditions, with results, to say the least, very favorable."

Additional medical testimony on request.
